

# The Extra's Party Favors & Giveaway Packages

Party favors and giveaways are an important element at your affair. They bring fun and create an experience your guest will love and remember. They also give your guest a feeling that the party never ended because no one leaves empty handed. Each favor is specifically designed to intensify the type of music being played. Whether your guests hold it or wear it, each favor makes each moment the best it can be.

So choose a package and lets talk!
